**ARTICLE 3: PROGRESS PAYMENTS AND RETAINAGE**

The CONTRACTOR may submit requests for payments no more often than every thirty (30) days for work performed and accepted under the contract. If the contractor is in compliance with the provisions of the contract, the Board will make payments for such work performed and completed. However, in any such case, the Board will retain ten percent (10%) of the total amount owing to insure satisfactory completion of the contract and to insure Contractor's compliance with the E.B.E. Rider attached to the contract. Payments to the Contractor are not to exceed 90% of the total contract amount until the Owner has verified that the Contractor has made good faith efforts to attain the E.B.E. goal stipulated in the E.B.E. Rider attached hereto.

If the contract is in excess of \$100,000, the contract will be subject to the standard Board of Public Works escrow agreement. However, payment of the final 10% of the total contract amount will be dependent upon good faith efforts to comply with the E.B.E. Rider, and subject to appropriate reduction in the event of non-compliance, as provided in paragraph 6 of the E.B.E. Rider.

#### ARTICLE 4: ACCEPTANCE AND FINAL PAYMENT

Final payment shall be due at the time the work is fully completed and accepted and the contract, including the E.B.E. Rider, is fully performed. Payments to the Contractor are not to exceed 90% of the total contract amount until the Owner has verified that the Contractor has made good faith efforts to attain the E.B.E. goal stipulated in the E.B.E. Rider attached hereto.

Upon filing of a **Completion Affidavit** by the **CONTRACTOR** that the work is ready for final inspection and acceptance, the **Board of Public Works** will direct the **Engineering Department** of the **OWNER** to promptly make such inspection and will direct the **Contract Compliance Department** of the **OWNER** to make a final recommendation on whether the **CONTRACTOR** made good faith efforts to attain the E.B.E. goal stipulated in the E.B.E. Rider.

When the **Engineering Department** finds the work acceptable under the contract, and the contract is fully performed, it shall so inform the **Board of Public Works**. Likewise, when the **Contract Compliance Department** determines that the **CONTRACTOR'S** efforts constitute good faith efforts to attain the E.B.E. goal as agreed in the E.B.E. Rider, it shall so inform the **Board of Public Works** through an **E.B.E. Compliance Final Report**.

Upon receiving both the **Engineering Department's** and the **Contract Compliance Department's** recommendations, the **Board of Public Works** shall issue a final certificate stating the work provided for in this Contract has been completed and accepted, and further stating that the E.B.E. Rider goal has been met. Thereupon, the entire balance of the Contract sum shall be due and payable to the **CONTRACTOR**; provided only that the **CONTRACTOR** shall first furnish **OWNER**, if requested to do so, satisfactory evidence that all persons who have supplied labor, material or equipment for the work have been fully paid, and all required manpower utilization reports for this project have been submitted.

In the event that the **Board of Public Works** determines that good faith compliance with the E.B.E. Rider has not occurred, appropriate reduction in the final payment will be made, pursuant to paragraph 6 of the E.B.E. Rider attached hereto. Said amount shall be added to the City of Fort Wayne E.B.E. Bond Guarantee Fund and contractor agrees to accept the reduced amount as full payment under the terms of his/her contract.

If the contract is in excess of \$100,000, the contract will be subject to the standard Board of Public Works escrow agreement. However, payment of the final 10% of the total contract amount will be dependent upon good faith efforts to comply with the E.B.E. Rider, and subject to appropriate reduction in the event of non-compliance, as provided in paragraph 6 of the E.B.E. Rider attached hereto.

Special Ordinance No. \_\_\_\_\_

E.B.E. RIDER

THIS AGREEMENT made and entered into by and between the CITY OF FORT WAYNE, hereinafter referred to as "Owner", and \_\_\_\_\_  
Wayne Asphalt & Construction Co., Inc. hereinafter referred to as "Contractor",

WITNESSETH:

WHEREAS, Contractor is the apparent low bidder on construction project commonly referred to as the Runnion Avenue Resurfacing (COIT) which project was bid under Resolution Number 6235-92; and

WHEREAS, Contractor agrees that the goal for qualified Emerging Business Enterprises, hereinafter sometimes referred to as "E.B.E.'s" as subcontractors on this project is 10 % of the contract amount; and

WHEREAS, Owner has, pursuant to Executive Order 90-01 (as amended 12/19/91), adopted a goal of at least 10% of the contract amount to Emerging Business Enterprises as defined under said Executive Order; and

WHEREAS, said Executive Order states:

"Section 2, Paragraph C. Each contractor shall be required to make a good faith effort to subcontract 10% of the contract amount to Emerging Business Enterprises on each construction contract he/she is awarded. In the event a contractor is unable to subcontract 10% of the contract amount or secure the services of an Emerging Business Enterprise, he/she will be required to submit a completed Request for Waiver form on which he/she will provide a written description of the efforts taken to comply with the participation goals."

NOW, THEREFORE, in consideration of the foregoing and of the mutual agreements hereinafter contained, the sufficiency of which consideration is hereby acknowledged, the parties hereto agree as follows:

1. Conditional Award: Subject to approval by the Common Council of the City of Fort Wayne as stipulated in the construction contract to which this Rider is attached, Owner awards the construction contract to the Contractor.

2. E.B.E. Retainage Requirements: If the contractor is in compliance with the provisions of the construction contract to which this Rider is attached, the Owner will make payments for such work performed and completed. However, in any such case, the Owner will retain ten percent (10%) of the total amount owing to insure satisfactory completion of the contract and to insure contractor's compliance with this E.B.E. Rider. Upon final inspection and acceptance of the work, and determination by the Fort Wayne Board of Public Works that the contractor has made a good faith effort to subcontract 10 % of the contract amount to emerging business enterprises, the contractor will be paid in full.

In the event there is a determination that good faith compliance with this E.B.E. Rider has not occurred, appropriate reduction in the final payment pursuant to paragraph 6 of this E.B.E. Rider will be made.

If the contract is in excess of \$100,000, the contract will be subject to the standard Board of Public Works escrow agreement. However, payments to the CONTRACTOR are not to exceed 90% of the total contract amount until the OWNER has verified that the CONTRACTOR has made good faith efforts to attain the E.B.E. goal stipulated in this E.B.E. Rider. Payment of the final 10% of the total contract amount will be dependent upon good faith efforts to comply with this E.B.E. Rider, and subject to reduction in the event of non-compliance as provided in paragraph 6 of this E.B.E. Rider.

3. Request for Waiver: If at the time final payment application is made, contractor has not attained the 10 % E.B.E. goal, contractor shall file with the final payment application a "Request for Waiver". Said Request for Waiver shall contain a written description of the efforts taken by Contractor to attain the 10 % E.B.E. goal.

4. Determination of Waiver Requests: The Contract Compliance Department of the City of Fort Wayne shall examine all Requests for Waiver to determine if Contractor's efforts constitute good faith efforts to attain such goal and shall submit recommendations concerning said Requests for Waiver for the final determination of the Board of Public Works of the City of Fort Wayne.

5. Good Faith Per Se. In any case, a Contractor shall be deemed to have made good faith efforts at compliance where E.B.E.'s have been subcontracted for every sub-contract for which there are qualified E.B.E.'s available.

6. Consequence of Non-Compliance: In the event the Board of Public Works approves a recommendation that contractor failed to make good faith efforts at compliance, the contract shall be reduced by the amount calculated as the difference between 10 % and the percentage level met. Said amount shall be added to the City of Fort Wayne E.B.E. Bond Guarantee Fund and contractor agrees to accept the reduced amount as full payment under the terms of his/her contract.

7. Waiver Approved: In the event the Board of Public Works determines that a good faith effort to comply with this E.B.E. Rider has been made, the contract shall not be reduced, and the balance owing to the contractor shall be paid in full.

IN WITNESS WHEREOF, the parties have executed this E.B.E. Rider this 11 day of March, 1992.
